

Kindergarten

DSECC's kindergarten program is a stand-alone full-day registered program or a supplement to half-day kdg. at Akron or Fulton Elementary. It is based on developmentally appropriate practice which considers the individual skill level of each child. Interactive learning opportunities in a nurturing and peaceful environment fosters a love of learning.

Children encounter a variety of experiences through exploration and discovery. Each day includes development in all learning areas: cognitive, fine and gross motor, social-emotional and communication. DSECC teachers focus on the whole child and strive to nurture the mind, heart, and soul of each child.

Mission Statement

DSECC's ministry is to provide nurturing, safe, educational child care that emphasizes the worth and uniqueness of each child in a Christian environment consistent with the Anabaptist mission of Akron Mennonite Church.
