

Teacher Profiles:

Dede Zimmerman has taught both Kindergarten and Pre-K classrooms at DSECC for over eight years. She has a BA in elementary and early childhood education from Alvernia College. Dede has an infectious sense of humor and has a special interest in early literacy.

Amanda Herr is beginning her ninth year at DSECC. Before teaching Pre-K, she taught in the four-year-old daycare classroom. She has her AA from Eastern Mennonite University. Amanda loves to be part of the enthusiasm and discovery of young learners.

Additional Information:

Each camp runs for two weeks.
Two-week camp fee: \$200
(\$100 per week)

Hours: 8:30 a.m. - 2:30 p.m.

Includes lunch, snack, and all supplies.

Before and after-camp care available for additional fee.

Mission Statement

DSECC's ministry is to provide nurturing, safe, educational child care that emphasizes the worth and uniqueness of each child in a Christian environment consistent with the Anabaptist mission of Akron Mennonite Church.

Diamond Street Early Childhood Center

2010 Pre-K (Ages 3-5) Summer Camp Adventures

Color Me Healthy (June 14-25)

We will be using all of our senses, music and color to learn that eating healthy and moving more can be fun. A fantastic two weeks to incorporate the wonderful flavors of the season along with more physical activity through sports, cooking projects and many fun filled activities.

Silly Science (June 28—July 9)

Silly Science is a hands-on two week camp packed full of super silly science experiments and activities. We will mix, pour, and stir some mysterious mixtures. We will be using our reading, writing and math skills to conduct these silly science experiments. Your mad scientist will LOVE this camp! Each child will receive a book at the end of the course with all the fantastic experiments to try at home.

Butterflies and Moths (July 12-23)

Who doesn't love the colors and flutters of butterflies? Children will discover the differences and similarities between butterflies and watch cocoons develop and open. We'll work together in our own garden here at Diamond Street. We'll end our time with a special trip to the Butterfly House at Hershey Gardens.

It's a Multi-Cultural World!

(July 26- Aug. 6)

Children will learn about the world by exploring a country on each of the continents. Guests will join us to share about places where they have lived. We will learn new games, try new foods, and find out about families in other cultures. A trip around the world right here in our classroom!

Wacky Water Week (Aug. 9-20)

Splish, splash we will be getting SOAKED this week. From playing in water and having outdoor water fun, we will also learn all about water. Water transportation, aquatic animals, and the water cycle will be a few of our topics. If it gets too hot, we will cool off by doing an investigation on ice. Swimsuits and beach towels are required.

Transition to Fall (Aug. 23-27)
