

School Age Child Care Family Survey (Adult Section)

How many children do you have at Diamond Street? _____

How long has your family been a part of Diamond Street? _____

When selecting school age childcare what were your top three priorities?

Rate the following

Before and After Care should focus on:	Very Important	Somewhat Important	Not important
Education (homework and learning activities)			
Socialization with other children			
Recreation and outdoor play			
Clubs and Hobbies			
Electronics use			

I agree or disagree with:	Agree	Disagree	Not Applicable
I am informed about my Child's progress			
I am informed about my Child's behavior or concerns			
I am informed about program and staff changes			
The activities available to my child are well planned			
There is a good mix of play, free time, and planned activities			
There are enough toys and materials for everyone			
My child enjoys attending the program			
My child is safe and well cared for			
The staff work with me to resolve issues or concerns			
The staff are supportive and relate well to my child/children			
I feel program staff are well trained			
The staff demonstrate an understanding of child development			
My child receives help with their homework			
I would encourage other families to enroll in Diamond Street's before and after school program			

What do you like best about Diamond Street's before and after care program?

What would you like to see changed about the program?

(Optional) I would like to speak directly to the Executive Director about my answers. Name: _____

I am available: _____

School Age Childcare Family Survey (Child Section)
